Vice-Chairman Searle moved to approve items 1-7 on the consent agenda. Supervisor Call seconded the motion and it carried unanimously.

#### **PUBLIC HEARINGS**

#### **Community Development**

8. Adopt Zoning Ordinance 14-03, a request to amend the Cochise County Zoning Regulations, Section 1819.02 Water Conservation Measures – Sierra Vista Sub-watershed Overlay Zone.

Chairman English opened the public hearing.

Mr. Steve Scheumann, Sierra Vista resident, stated he was in favor of the water conservation measures.

No one else chose to speak and Chairman English asked for a motion to table the item pending a work session discussion.

Supervisor Call moved to table this item until the February 25, 2014 Board meeting. Vice-Chairman Searle seconded the motion.

Chairman English called for the vote and it carried 3-0.

#### **ACTION**

#### **Board of Supervisors**

9. Approve a \$5,000 assessment to the County Supervisors Association (CSA) building maintenance fund for fiscal year 13-14.

Vice-Chairman Searle moved to approve a \$5,000 assessment to the County Supervisors Association (CSA) building maintenance fund for fiscal year 13-14. Supervisor Call seconded the motion.

Mr. Ortega, County Administrator, presented this item. Mr. Ortega explained that CSA asked for this fund in order to remodel the building and acquire more technology to better serve its members. He clarified that the \$5,000 was for this fiscal year and that he would bring future funding for this project during the regular budget discussions for the next fiscal year.

Vice-Chairman Searle was concerned about funding for future requests and noted that he would need more detailed information from CSA.

Chairman English called for the vote it carried 3-0.

#### STATE & FEDERAL LEGISLATION

 Discussion and possible action regarding state and federal legislative matters, including but not limited to the items in the attached County Supervisors Association Legislative Policy Committee Agenda and the proposed State budget.

Vice-Chairman Searle noted that Senator Gail Griffin had introduced senate bill 1483 stating that a county with at least 125,000 citizens should allow its citizens to vote on whether or not they want to go from a three member board to a five member board.

Mr. Ortega stated that the County's concerns about costs associated with adding two board members had been sent to CSA.

The Board agreed that this was of major concern due mainly to the additional costs that could be incurred by the citizens of the County and asked Mr. Ortega to track this issue and bring it as a formal agenda item in a future meeting so that the Board may send an official message.

# REPORT BY MICHAEL J. ORTEGA, COUNTY ADMINISTRATOR -- RECENT AND PENDING COUNTY MATTERS

Mr. Ortega reported on the assessed values received from the County Assessor and said that the decrease in values translated to a reduction of \$1.3 million in tax revenue for the 2014-2015 fiscal year.

#### Information

#### **Agenda Item Text:**

Approve Grant Agreement 12-LE-11030518-001 amendment 2 between the USDA Forest Service and the Sheriff's Office and the associated Operating and Financial Plan, 12-LE-11030518-001 for a term of October 1, 2013 through September 30, 2014 in the amount of \$10,357.99 for overtime, employer related expenses and fleet costs for Sheriff's deputies to patrol various recreation areas of the Coronado National Forest.

#### **Background:**

These agreements with the Forest Service are essentially an annual event. The Modification of Grant or Agreement is necessary to provide a change in funding as well as make administrative changes due to the new Sheriff and staff. The Financial Plan ("Exhibit A") establishes the amount of funding available for the mission for each federal fiscal year. This year's agreement provides for the Forest Service to reimburse up to \$10,357.99 in overtime and EREs for deputies to patrol the various recreation areas of the Coronado National Forest. The financial Plan is updated annually.

#### **Department's Next Steps (if approved):**

Upon approval the agreements will be returned to the Forest Service and the Sheriff's Office will initiate patrols of the recreation areas in the Coronado National Forest.

#### Impact of NOT Approving/Alternatives:

If not approved the Sheriff's Office will not be able to utilize this funding to conduct patrols of the Forest's recreation areas, thus requiring the expenditure of general fund money to respond to any law enforcement calls originating in those areas.

#### To BOS Staff: Document Disposition/Follow-Up:

Return all original copies of the three documents to the Sheriff's Office so they can be forwarded to the Forest Service.

B. Reimbursement for all types of enforcement activities shall be at the following rates unless specifically stated otherwise:

\$0.69/mile patrolled

Per diem rate is \$103.00/day

Wages at the prevailing rate of \$56.90/hour plus fringe benefits for the individual officer at the rate of \$13.17/hour.

#### II. PATROL ACTIVITIES:

A. Time schedules for patrols will be flexible to allow for emergencies, other priorities, and day-to-day needs of both the Cooperator and the U.S. Forest Service. Ample time will be spent in each area to make residents and visitors aware that law enforcement officers are in the vicinity.

1. Patrol on following U.S. Forest Service roads:

Please see attachment A

.2. Patrol in the following campgrounds, developed sites, or dispersed areas:

Please see attachment A

Total reimbursement for this category shall not exceed the amount of: \$10,357.99 Unused dispatch funds may be used for patrol activities, in which case the maximum reimbursement may not exceed the amount of: \$10,357.99.

#### III. TRAINING:

See Cooperative Law Enforcement Agreement Provision IV-K for additional information.

Total reimbursement for this category shall not exceed the amount of: \$0.00

#### IV. EQUIPMENT:

See Cooperative Law Enforcement Agreement Provisions IV-K, IV-L, and IV-M for additional information.

Total reimbursement for this category shall not exceed the amount of: \$0.00

#### V. SPECIAL ENFORCEMENT SITUATIONS:

- A. Special Enforcement Situations include but are not limited to: Fire Emergencies, Drug Enforcement, and certain Group Gatherings.
- B. Funds available for special enforcement situations vary greatly from year to year and must be specifically requested and approved prior to any reimbursement being authorized. Requests for funds should be made to the U.S. Forest Service designated representative listed in Item I-A of this Annual Operating Plan. The designated representative will then notify the Cooperator whether funds will be authorized for reimbursement. If funds are authorized, the parties will then jointly prepare a revised Annual Operating Plan.
  - 1. Drug Enforcement: This will be handled on a case by case basis. The request will normally come from the patrol Captain; however, it may come from the Special Agent in Charge or their designated representative. Reimbursement shall be made at the rates specified in Section I-B. Deputies assigned to the incident will coordinate all of their activities with the designated officer in charge of the incident.
  - 2. Fire Emergency: During emergency fire suppression and fire severity situations and upon request by the Forest Service pursuant to an incident resource order, the Cooperator agrees to provide special services beyond those provided under Section II-A, within the Cooperator's resource capabilities, for the enforcement of State and local laws related to the protection of persons and their property. The Cooperator will be compensated at the rate specified in Section I-B; the U.S. Forest Service will specify times and schedules. Upon concurrence of the local Patrol Captain or their designated representative, an official from the Incident Management Team managing the incident, Cooperator personnel assigned to an incident where meals are provided will be entitled to such meals.

All requests to provide additional law enforcement support on National Forest System lands during extreme fire conditions will become effective and reimbursable only when the Forest Service specifically requests assistance through the Forest Dispatch or Expanded Dispatch Office, a Resource Order Number is provided, and the County Dispatch Office is notified of the request. Initial attack responses without a Resource Order by the Forest Service are not reimbursable.

Upon request and concurrence by the Sheriff's Department,

The Sheriff's Department shall:

- a. Provide to the Forest Service, fully equipped Sheriff's Deputies who meet the standards of training as listed in the Cooperative Law Enforcement Agreement, Provisions II-B, including appropriate vehicles(s), in numbers requested by the Forest Service to provide law enforcement for fire severity or fire suppression situations. These duties are above and beyond the customary duties that are routinely provided by the Sheriff's Office and will be covered under Special Enforcement Situations. The Sheriff's Deputies will continue to work under the direction of the Sheriff's Department. The Sheriff's Deputies will coordinate their patrol activities with the U.S. Forest Service Patrol Captain, or their designee, while assigned to each specific fire severity or fire suppression patrol area, and coordinate their activities with the Incident Commander while assigned to each specific wildland fire severity or fire suppression situation. All Deputies assigned to a wildland fire severity or fire suppression situation are required to follow Check-in and Demobilization procedures.
- b. Assign Sheriff's Deputies requested by the Forest Service for fire severity or fire suppression situation patrols and law enforcement.
- c. Furnish itemized statements of expenditures to the Forest Service for the fire severity or fire suppression situation services requested by the Forest Service, at the address below:
  - a. Cheri Bowen, Patrol Captain (local unit, as per the Cooperative LE Agreement)
     Coronado National Forest
     300 W. Congress
     Tucson, AZ 85701

The Patrol Captain will review and approve the invoice, and forward the invoice and support documentation to Incident Finance for payment.

Billing requests will include the following information:

Cooperator's Name, address, phone number and agency financial contact Invoice or Bill number;

Resource Order number(s);

Appropriate incident number (State code or Forest Service P-code and override);

Cooperative Law Enforcement Agreement number; Dates of the incident covered by the billing; and Location and jurisdictional unit of the incident. Summary cost data for the amount being billed:

Use incident-generated cost reports generated by the Agency to support the billing whenever possible. Summary cost data may include, but not limited to, a list of personnel expenses including base, overtime and travel and a listing by vendor name and amount spent for supplies and services procured.

#### The Forest Service shall:

- a. Relay requests to the Sheriff's Department to provide fully equipped Sheriff's Deputies, including vehicles, through Forest Service Dispatch or Expanded Dispatch Office to the County Dispatch Office, including specific information on numbers of Deputies needed, tour, location, expected length of duty, authorization for overtime expenditures, and fire severity (S-code) or fire suppression (P-code) for billing. A resource order number must be issued by the Forest Service to support each request. The resource order number will be provided to the Sheriff's Office by the Forest Dispatcher.
- b. Post each Deputy's time and vehicle mileage to a Fire Time Report (Optional Form 288) to provide documentation to support payment of each itemized statement of expenditures provided by the Sheriff's Department.
- c. Reimburse the Sheriff's Department for requested fire severity or fire suppression special enforcement situation services that are provided and covered under this Section, at the prevailing rates as per Section I, Paragraph B above.
- 3. Group Gatherings: This includes but is not limited to situations which are normally unanticipated or which typically include very short notices, large group gatherings such as rock concerts, demonstrations, and organization rendezvous. Upon authorization by a Forest Service representative listed in Section I-A for requested services of this nature, reimbursement shall be made at the rates specified in Section I-B. Deputies assigned to this type of incident will normally coordinate their activities with the designated officer in charge of the incident.

This includes but is not limited to situations which are normally unanticipated or which typically include very short notice, large group gatherings such as rock concerts, demonstrations, and organizational rendezvous.

#### VI. BILLING FREQUENCY:

See Cooperative Law Enforcement Agreement Provisions II-H and III-B for additional information.

- A. Billing frequency for Sections II, III, and IV shall be quarterly, not to exceed \$10,000.00
- B. The following is a breakdown of the total estimated costs associated with this Annual Operating Plan.

Category	<b>Estimated Costs</b>	Not to Exceed by %

Attention: Board of Supervisors

I am pleased to recommend Cherla Ramsey as a candidate for your Workforce Development Board. Cherla has been training and managing crews for jobs within her technical industry for many years and has a firsthand knowledge of the skills and education that potential employees need to possess to flourish in this job market. Today's employees are constantly challenged by fast changing technology and instant communication demands. Cherla will be an asset to your organization because she successfully practices and promotes these skills so necessary within her own business environment.

Cherla has been involved in multiple Chamber activities and has proven that she truly has a heart for helping our community grow, achieve a better lifestyle, and also personally give back to our community. She not only provided a piece of heavy equipment but also operated it when our Gila Valley Leadership Class established a walking path around the local cancer treatment center. She knows what it takes to get the job done and does it. That knowledge will be important in job development decisions decided by your Board.

Cherla has effectively spearheaded numerous local triathlons promoting better health and physical fitness for youth and community members. Those events were a huge economic bonus for business in our valley as well as attracting visitors from around the state; many have returned after seeing the cooperation and enthusiasm demonstrated by the leaders, thanks to Cherla. She understands and implements collaborative efforts that support and sustain growth in our communities; she sees the big picture and understands planning for the future.

I could list many other examples, but suffice it to say that I believe Cherla will make an excellent member of your Board. She has told me that she has the desire to help and can work out the time required to be effective. I hope you will choose Cherla Ramsey. Please contact me if I may answer any questions or list further reasons for this good choice.

Lite the way it be.

Most Sincerely,

Marie Freestone

#### Information

#### **Agenda Item Text:**

Adopt Zoning Ordinance 14-03, a request to amend the Cochise County Zoning Regulations, Section 1819.02 Water Conservation Measures – Sierra Vista Sub-watershed Overlay Zone.

#### **Background:**

Docket R-13-02 proposes amendments to Article 18 of the Zoning Regulations as they relate to water conservation standards in the Sierra Vista Sub-Watershed. The proposed amendments pertain to new construction only; would require WaterSense and Energy Star® fixtures and appliances; water recycling for car washes; would prohibit the use of misters in commercial and industrial settings; and require independent meters for all multi-family structures with over four dwelling units. Other proposed changes include removing all reference to swamp coolers, and adding an option to permit holding ponds for treated effluent used for irrigation.

The following proposed changes were initially presented to the Planning Commission at their regular meeting on November 13, 2013. At that time, the Commission unanimously voted to table the Docket in order to facilitate further discussion via work session.

The work session held on December 11, 2013 generated good feedback from the public. With final changes agreed upon, and in a 7-0 vote, the Commission forwarded the proposed amendments to the Board of Supervisors on January 8, 2014 with a recommendation for approval.

The Board of Supervisors has, to date, held two work sessions to discuss this item. On January 28, many of the changes originally approved by the Commission were deleted from the proposed document. At the second work session on February 11, after brief discussion, the Board directed staff to place the final document on the Board's agenda for consideration. The final document is attached.

#### II. Proposed Amendments

Similar to the current requirements for uses within the Sierra Vista Sub-watershed Overlay Zone, the proposed amendments to Section 1819.02 would apply only to properties located within the Overlay Zone's boundaries, and would not be retroactive, but rather, apply to only new commercial and residential construction. The proposed changes are attached as Exhibit A.

#### III. Recommendation

Staff recommends that the Board of Supervisors adopt the proposed amendments to Section 1819.02 of the Zoning Regulations governing water conservation standards within the Sierra Vista Sub-watershed Overlay Zone.

#### **Department's Next Steps (if approved):**

After the Ordinance is recorded, amend all copies of the Zoning Ordinance.

#### Impact of NOT Approving/Alternatives:

The current Zoning Regulations will still be in force.

#### To BOS Staff: Document Disposition/Follow-Up:

Board Staff will record the Zoning Ordinance, and provide copies to the Planning Division. The changes will go into effect in 30-days.

#### 1819.02 Water Conservation Measures - Sierra Vista Sub-watershed Overlay Zone

The following water conservation measures shall be required of all residential and non-residential properties in the Sierra Vista Sub-watershed, as defined by the Arizona Department of Water Resources and delineated on County maps and, when a building permit is required, be subject to plan review and inspections:

#### A. New Construction–Residential:

All interior plumbing in new residential construction, consisting of one-to-four units, attached or detached, shall meet the following requirements:

- 1. All toilets shall be WaterSense labeled.
- 2. The installation of a pressure-reducing valve (PRV) on the house side of the water meter, in an easily accessible location, shall be required for all new single-family residences served by a water company. The preferred location is in the garage or other non-in-ground location. The static service pressure shall be set no higher than 60 pounds per square inch (psi), regardless of input pressure. New single-family residences served by a well or well-share are not required to install the PRV.
- 3. Water softeners, if installed, must meet NSF/ANSI requirements.
- 4. Drinking water treatment systems, if installed, shall meet NSF/ANSI requirements (such systems shall yield at least 85 gallons of treated water per 100 gallons processed).
- 5. Hot water on demand: In new construction, a hot water system will be installed to provide hot water on demand at the point of use in sinks and baths/showers. All hot water fixtures shall be WaterSense labeled. Insulation for hot-water pipe with a minimum thermal resistance (R-value) of R-4 shall be applied. Hot water systems shall be designed and shall include such components as may be necessary to deliver hot water at each demand point with no more than 0.6 gallons (2.3 liters) of water delivered prior to the delivery of hot water. Systems that are activated based solely on a timer and/or temperature sensor do not meet this requirement.
- 6. Gray water plumbing: New residential construction shall have gray water line(s) plumbed to stub out, and to be capped and clearly marked so as to permit the optional use of gray water by residents. The gray water plumbing must connect at least two plumbing fixtures, and preferably those that produce the most gray water without compromising the efficient evacuation of the black water pipes.

#### B. New Construction—Commercial, Industrial, Multi-Family, and Public Development:

- 1. For all projects requiring urinals, they shall be waterless.
- 2. All new commercial car wash facilities, including automobile dealerships, shall use water recycling systems which recycle a minimum of 75-percent of the water used. This requirement does not apply to small operation auto detailers or similar uses.
- 3. Kitchens in which dishwashers are installed must use Energy Star® rated dishwashers.
- 4. **Commercial Laundry Facilities:** All laundry facilities intended for public use such as laundromats, hotel guest laundries, or multi-family housing laundry rooms will be equipped with Energy Star® qualified commercial clothes washers rated equal to or below the lowest current

- Energy Star® Water factor. This provision applies to initial establishment of new laundry facilities and on replacement of existing equipment due to normal wear and tear or other loss.
- 5. The use of misters is prohibited in commercial and industrial developments.
- 6. Water softeners, if installed, must meet NSF/ANSI requirements.
- 7. Drinking water treatment systems, if installed, shall meet NSF/ANSI requirements (such systems shall yield at least 85-gallons of treated water per 100-gallons processed).
- 8. All new multi-family development exceeding four units shall provide independent-unit metering (water meter for each dwelling unit), with the following exceptions:
  - a. Multi-family complexes providing 80-percent or more low- to moderate-income housing units, as defined by the federal office of Housing and Urban Development (HUD), may provide alternative water-saving design methods in lieu of the use of independent-unit metering. The burden of proof is on the applicant to show that an equivalent, or greater, water savings will be achieved.
  - b. Alternative water-saving methods to include, but not be limited to, the following, may be considered by the County Zoning Inspector and permitted in lieu of the use of independent-unit metering:
    - (1) Short hot-water line run distances (core plumbing systems).
    - (2) Ratio Utility Billing Systems (R.U.B.S. as allowed under applicable state law).
- 9. Artificial Water Features: New artificial water features such as ponds, lakes, water courses, and other types of decorative water features are prohibited in any new commercial construction or in common user areas of multi-family housing unless their sole source is harvested rainwater. This provision does not pertain to required storm water detention/retention facilities, holding ponds used for treated effluent being used for permitted irrigation purposes, or permitted swimming pools and spas. Flowing water used in fountains, waterfalls, and similar features shall be recirculated.
- 12. **Outdoor Sprinkler Systems:** Any new installation or replacement of an automatic outdoor sprinkler system shall also include the installation of a rain or humidity sensor that will override the irrigation cycle of the sprinkler system when rainfall has occurred in an amount sufficient to negate the need for irrigation at the scheduled time. Where there are multiple areas with a sprinkler system watered from one controller, the sensor must be installed at the largest area.
- 13. **Landscaping:** Any new landscaping proposing irrigation installation or re-installation in a median or similar strip of permeable surface less than fifteen feet in any horizontal dimension, adjacent to a roadway, sidewalk, parking area or other paved or impermeable area, shall be irrigated by a subsurface (drip), non-sprinkling irrigation system.

Subject: I Support New Water Conservation Standards and Status/Plan Update: Multi-Use Trail/Shared Use Path Etiquette Opportunity

Dear Pat,

I would like to think I represent many multiples of a resident representing

45 residents, when I say that I support new water conservation standards.

The fort is the economic engine of the county and any initiatives that reasonably support it are in most people's interest whether they realize it or not. Based upon the attached article on the recent P&Z meeting, I liked the idea of the proposed county code only stating a goal for hot water delivery systems without getting into the weeds of exact system solutions.

That is why I was amazed when an amendment passed eliminating the option of timer or temperature controlled pumps. I would ask you to consider when you vote on these standards whether eliminating this option makes sense - it contradicts the cost effective concept of a general goal not hooked to any solutions and has nothing to do with saving water according to the article (how much electricity will really be saved?).

On a separate note after a SV Herald article earlier this week covered an agreement between the City and County on shared use paths, I called Highways & Floodplains and Rorri put me in contact with Karen Lamberton concerning multi-use trail and shared use path etiquette. Karen responded in a timely and complete fashion, so I will be working with her on this topic. I have also volunteered to participate in her long-range transportation issues planning sessions which she projects to start in 4-8 weeks.

Sincerely,

Steve Scheumann

of the Zoning Regulations
(Sierra Vista Sub-watershed Overlay Zone)

Board of Supervisors February 25, 2014

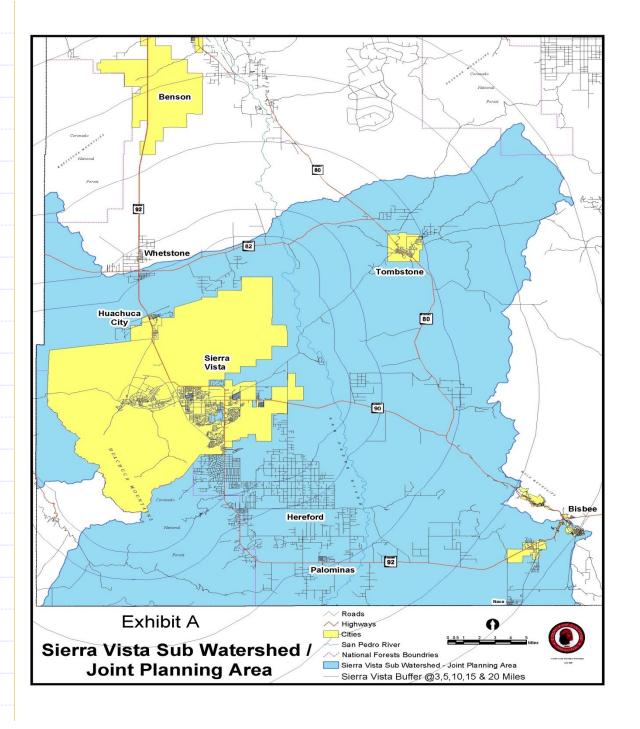

# Background

- Water resources planning authorized by legislative mandates and Arizona Growing Smarter;
- Groundwater is the primary water source for residents of the Sierra Vista Sub-watershed, recognized as the most sensitive watershed in the County;
- Groundwater sustains the San Pedro River and its associated riparian ecosystem; and
- Congress protected SPR in 1988 (San Pedro Riparian National Conservation Area (SPRNCA).

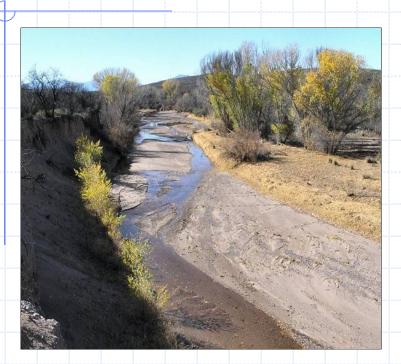

## Sierra Vista Subwatershed

# Sierra Vista Sub-watershed

In 2006, the Board of Supervisors adopted the Sierra Vista Sub-Watershed Water Conservation Management Overlay and Policy Plan.

The Plan continues as an important approach towards protecting water resources and the economy within the sub-watershed.

# Intent of Amendments

- Reduce the rate of depletion of groundwater resources within the SV sub-watershed;
- Reduce overall per capita water use;
- Ensure compliance with the most current and innovative water-saving conservation fixtures, appliances, and techniques, including WaterSense and Energy Star®;
- Ensure the efficient delivery of hot water in new commercial and residential development; and

#### Information

#### Agenda Item Text:

Approve the Cochise County Medication Disposal Program, a two phase collaborative program between the Cochise County Sheriff's Office (CCSO) and Cochise Health & Social Services (CHSS) with Phase I beginning by May 1, 2014, and approval to move forward with formal research and gathering community support for Phase II.

#### Background:

CHSS and CCSO have developed a countywide Medication Disposal Program. Our goal is to further fulfill our departments' mission statements which are centered on improving public health and public safety. This program will provide Cochise County residents with a free, environmentally safe method to dispose of unwanted prescription medications. This program will prevent illness, abuse or overdose by children and adults from prescription medications and will also protect our environment and water supply by providing a convenient and safe method to dispose of these medications. The program we have developed is simple, free to the public, will be accessible in ten (10) communities around the County. It will be a low cost program to run, once the initial purchases and deployment are complete. In order for residents to participate in our program all they will need to do is seek out a disposal unit, read the accepted medications list provided on it, and drop in their acceptable, unwanted medications. There is no cost or paperwork required of residents. This type of program has been operational in the City of Sierra Vista with great success but is not convenient for residents in other areas of our County. We have seen good community support and interest in this program. As a result of this interest, with the help of Carol Capas, CCSO PIO we were able to easily identify the ten communities for the program to be initiated. We are confident that with a wide distribution around Cochise County it will make the disposal units easily accessible for all residents. The community agencies that have agreed to participate in our program are as follows: Bisbee Police Department, Benson Hospital, Elfrida Fire Department, Tombstone Fire Department, Whetstone Fire Department, Huachuca City Fire Department, Douglas Fire Department, Fry Fire Department (SV), Sunsites Fire Department and the Willcox Police Department. Our proposal consists of two phases. Phase I: Purchase ten (10) MedReturn II Units (\$6,750), a portable 55 gallon barrel incinerator (\$3,400), addition of Cochise County and CCSO logos on all Med Return II Units (\$2,000), and provide installation at the ten (10) designated locations of the MedReturn II Units (\$1.850). The total cost for Phase I will be \$14,000. CHSS will provide full funding for Phase I with the use of our Community Health Assessment (CHA) Grant received in FY12-13. This grant was given to counties to be used specifically for evaluation and program development to identify and address community health needs. Through our recent CHA, it was determined that this is one way we can immediately begin addressing an area of concern for Cochise County residents. If this proposal is approved, \$26,000 of this grant fund would remain for other projects/programs as we progress further with our Community Health and Improvement Plan. The CCSO has been essential in the development of this program from the beginning, and will continue to play the most important role of all as we move forward. The CCSO will handle all of the day-to-day functions of the program to include the proper storage, handling, transportation and disposal of medications. This will include regular pickups of medications from the MedReturn II Units, storage of medications, and final disposal using the portable incinerator at regular intervals. CHSS and CCSO will be able to provide reporting data on our collaborative program on a quarterly basis or more often if requested. Our estimates indicate a 1-3 month time frame will be needed for delivery/installation of the units and incinerator. Once the units are installed, the portable incinerator is set up and ready for use at the Bisbee CCSO facility, the program will be ready to begin, by May 1, 2014. Phase II: During this phase, CHSS and CCSO, will work together to find a well equipped 400+ pound capacity incinerator unit that can be installed as a fixed permanent incinerator for the CCSO to use. Once a suitable unit has been identified, CHSS and CCSO will then look for community partners, grant funding and internal grant funding sources that may be used to assist with the purchase, installation, use and upkeep costs. Additionally, the CCSO and CHSS will consider offering subcontracting options to other local law enforcement agencies for regular use of the fixed unit, to allow for more a efficient local resource for destruction of medications and other materials gathered by law enforcement and to recoup expenses to some degree.

Work with Procurement to order disposal units, sign agreements with community partners where disposal units will be located, begin installation of units and draft public awareness materials to educate residents about this new program.

#### Impact of NOT Approving/Alternatives:

Improperly stored prescription medications in the home will continue to be a hazard for the general public, especially our children. Residents who do dispose of unwanted prescriptions will continue to do so in unsafe and environmentally harmful ways.

#### To BOS Staff: Document Disposition/Follow-Up:

BOS signature is not required. There are no documents for forward to the Clerk of the Board for signature or filing.

#### Fiscal Impact & Funding Sources (if known):

The CHSS, Community Health Improvement Plan Grant Funding will be used to fully fund Phase I of the program. The individual costs for Phase I are as follows:

Med Return II Units - 10 @ \$675 each = \$6,750 Elastec Drug Terminator - 1 @ \$3,200 + s/h @ \$200 = \$3,400 Med Return II Unit Installation (estimated) = \$1,850 Cochise County and CCSO logos on all Med Return II Units = \$2,000 Phase I Total \$14,000

CHSS and CCSO do not have costs determined for Phase II of the program. We anticipate having this information by the end of FY14-15, in preparation for following fiscal year, subcontract opportunities and other related areas, that will directly impact the actual expenses.

### The Problem

- Deaths from drug overdose rising dramatically past 20 yrs
- Leading cause of injury death in the United States as of 2010
- Every day in the US, 105 people die as a result of drug overdose
- Another 6,748 are treated in emergency departments
- Nearly 9 out of 10 poisoning deaths are caused by drugs

# The Problem (Con't)

- •In 2010, among people 25 to 64, drug overdose caused more deaths than MVAs
- •Drug overdose death rates increased 102% from 1999 to 2010
  - •30,006 (78%) of the 38,329 drug overdose deaths in US were unintentional
  - •5,298 (14%) of suicidal intent
  - •2,963 (8%) were of undetermined intent
- •In 2011, drug misuse and abuse caused about 2.5 million ER visits
  - •More than 1.4 million visits were related to pharmaceuticals
  - •Between 2004 and 2005, an estimated 71,000 children were seen in ERs each year because of medication overdose
- •Among children under 6, pharmaceuticals account for about 40% of all exposures reported to poison centers

# The Problem (Con't)

- In the US in 2007, prescription opioid abuse costs were about \$55.7B
  - 46% attributable to workplace costs (e.g., lost productivity)
  - 45% to healthcare costs (e.g., abuse treatment)
  - 9% to criminal justice costs
  - Between 1998-2002, people who abused opioid analgesics cost insurers
     \$14,054 more than the average patient
- CDC for every 1 overdose death from prescription painkillers there are:
  - 10 treatment admissions
  - 32 ER visits
  - 130 people who abuse or are dependent
  - 825 people who take prescription painkillers for nonmedical use

## Why is proper med disposal important?

#### **Environmental Concerns:**

- Contamination of Public and Private Water Supplies Approx. 35% disposal in sinks/toilets
- Contamination of Landfills Approx. 50% disposal in landfills

### Illegal distribution/nonmedical/recreational use

- 12+ million US teens and adults <u>reported</u> using Rx painkillers to get "high" or for other nonmedical reasons
- Party Bowls
- Nonmedical use of prescription painkillers costs more than \$72.5 B
   each year in direct health care costs

# Program Overview

### Phase I:

- Purchase ten (10) MedReturn II Units
- Afffix Cochise County and CCSO logos on Units
- Purchase a Drug Terminator mobile incinerator
- Provide installation at ten (10) designated locations
- CHSS will provide full funding for Phase I with the use of our Community Health Assessment (CHA) grant funds received in the FY12-13
- CCSO will handle all of the day-to-day functions of the program
  - Regular pickups of medications from the Units
  - Storage of medications
  - Final disposal using the portable incinerator at regular intervals
- CHSS and CCSO will be able to provide reporting data on our collaborative program
- Estimates indicate a 1-3 month time frame is needed for delivery/installation of the units and incinerator with an anticipated start date of May 1, 2014

# Program Overview (Cont'd)

### Phase II:

- CHSS and CCSO to find a well equipped 400+ lb capacity incinerator that could be installed as a fixed permanent incinerator for the CCSO
- Once unit has been identified, CHSS and CCSO will then look for community partners and grant/or funding that may be used to assist with the purchase, installation, use and upkeep costs
- CCSO and CHSS will assess feasibility of subcontracting to other local LE agencies for use of the fixed unit to recoup/offset expenses
- Market as more efficient local resource for destruction of medications and other materials gathered by LE

### What are MedReturn II Units?

- A safe, effective, sustainable way to provide an easy to use community drug collection process
  - Cost is \$675/ea including s/h. Total Cost = \$6,750
  - Units will display Cochise County & Sheriff's Office logos
  - Units will be placed in secure, indoor locations that are accessible to the public.
  - Specifications:
    - Constructed of 14-gauge powder-coated steel
    - Measures 54" tall x 22" wide x 17" deep, Wt 120lbs
    - Secure enclosure to be bolted from inside
    - Includes one 50-quart plastic tote
    - Medicine drop opening is 11" wide x 8" high

### Which communities will have MedReturn II Units?

### **Our Confirmed Community Partners:**

Benson Hospital

Bisbee Police Department

Douglas Fire Department

Elfrida Fire Department

Fry Fire Department

Huachuca City Fire Department

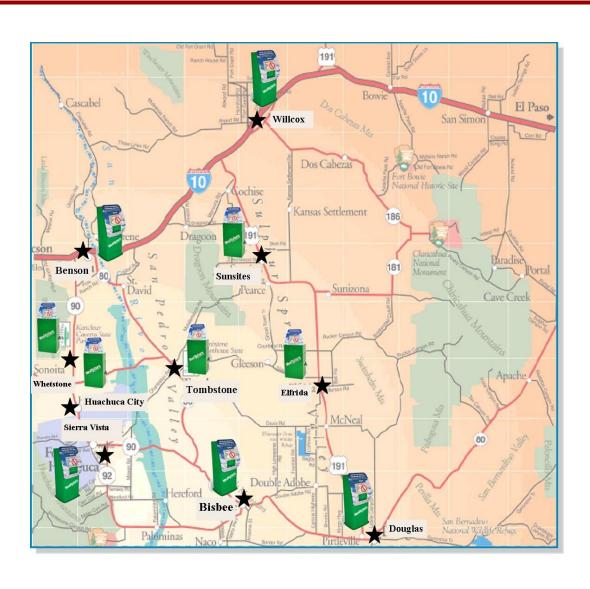

Sunsites Fire Department

Tombstone Fire Department

Whetstone Fire Department

Willcox Police Department

### Which communities will have MedReturn II Units?

## What types of medications will be accepted?

### **Accepted:**

Prescriptions, Prescription Pads, Prescription Medications,
Prescription Ointments, Over the Counter
Medications, Vitamins, Medication Samples, and
Medications for Pets

### Items NOT accepted:

 Hydrogen Peroxide, Inhalers, Aerosol Cans, Any Liquids, Medications from Businesses, Doctors Offices or Clinics, Needles, and Thermometers

# How will the CCSO handle day to day operations of the program?

# What is the Drug Terminator Incinerator?

### **Description:**

- Mobile incinerator for disposal of illicit and prescription drugs
- Portable, easy to use, designed for safe and efficient disposal of drugs
- Used by LE when other disposal options are limited
- Cost is \$3,200, plus \$200 s/h Total Cost = \$3,400
- No facility preparation or special arrangements are needed
- Can transport this unit as needed to various locations

### **Specifications:**

- Wood or charcoal fired
- Cyclone of intense heat destroying drugs quickly and complete
- 110 and 220 volt versions available
- Volume of material is reduced to an average of 1% ash
- Non-combustible drug paraphernalia is sterilized by heat and can be disposed in municipal waste
- Uses what is specified by ISO Standards as a removable head or "open-end"
   55 gallon drum
- Burns: Marijuana, Cocaine, Methamphetamines, Opiates, Ecstasy, Heroin,
   Paraphernalia, Pharmaceuticals

# Why Does Cochise County Need An Incinerator?

### Issues:

- LE agencies in Cochise County do not have a local resource to dispose of prescription or illicit drugs
- LE agencies in Cochise County are required to store these items until a DEA Officer can pick up for incineration in Marana or Phoenix creating difficulties with storage space
- Not every community in County will have a Disposal Unit

### **Benefits:**

- Portability will allow use in any community for scheduled "take back" days
- Provide a local resource for incineration for the CCSO
- Allow other local LE agencies to use this resource for a fee
- CCSO, and potentially other agencies, will be able to reduce storage issues with easier, frequent access to an incinerator

# **Overall Program Benefits:**

- Reduce environmental risks from improper disposal of medications
- Reduce risks from illness, abuse and overdose due to improper use, storage and/or disposal of medications for children and adults
- Provide Cochise County with a permanent local means of disposing of prescription and illicit drugs for residents and LE agencies
- Provide residents with access to a free, easy to use resource in ten locations county wide
- Provides CHSS and CCSO with a way to further fulfill their mission statements and commitments to Cochise County to improve public health and safety
- Provide CHSS with the ability to address one need identified in the CHA completed in December 2012

# **Program Start-Up Costs**

## Fully funded by CHSS CHA Grant

## Phase I:

<ul> <li>Med Return II Units – 10 @ \$675 each including s/h =</li> <li>Elastec Drug Terminator – 1 @ \$3,200 + s/h @ \$200 =</li> </ul>	\$6,750 \$3,400
	' '
<ul> <li>Med Return II Unit Installation (estimated) =</li> </ul>	\$1,850
<ul> <li>Cochise County and CCSO logos on all Med Return II Units =</li> </ul>	\$2,000
Phase I Total	\$14,000

- Costs for maintenance of units and incinerator is not expected to be exorbitant
- CHSS and CCSO will monitor these expenses closely, work together to cover any
  ongoing expenses, and ensure all equipment is maintained properly to avoid need for
  premature replacement of parts or equipment.

# Phase II Costs

- CHSS & CCSO will work on developing cost analysis
- Anticipate it will be significant
- Factors/Needs to be considered for Phase II:
  - Purchase of a 400+ lb capacity fixed incinerator
  - Land development needed at or near CCSO offices for a fixed unit
    - Construction costs for a concrete foundation for incinerator to be installed on and construction costs for roadway or parking if needed
    - Utility installation costs for gas, electrical or water that will be needed for a fixed incinerator
  - Security for incinerator site
  - Ongoing costs of fuel, electricity, maintenance, warranties
  - Explore feasibility of subcontracts with local agencies
  - Explore possible grant resources to assist with purchase, development and ongoing expenses

## Recommendations

# Approve Cochise County Medication Disposal Program

## Phase I:

Approve and authorize immediate implementation for a Phase I roll out date of May 1, 2014

## Phase II:

Approve and authorize CHSS & CCSO to begin formal research on Phase II for consideration in FY14-15

#### Information

## **Agenda Item Text:**

Approve an Intergovernmental Agreement (IGA) Contract No. ADHS14-063015 between Cochise Health and Social Services (CHSS) and Arizona Department of Health Services (ADHS) for the Public Health Department Accreditation project effective January 6, 2014 - September 30, 2014 in the amount of \$44,800.

## **Background:**

CHSS is extremely interested in pursuing formal accreditation status through the Public Health Accreditation Board (PHAB). The goal is to improve and protect the health of the residents we serve by advancing the quality and performance of our local health department. This national accreditation program sets standards against which the nation's more than 3,000 PH department can be measured. The PHAB peer review process provides valuable feedback to inform PH departments of our strengths and opportunities for improvement. PHAB accreditation will also allow us to have access to best practices, and the considerable resources of PHAB and its national and local partners. The ADHS is fully committed to the advancement of this accreditation throughout the State and will be applying for accreditation as a State Health Department in the near future. At this time, seven county health departments in Arizona are planning to apply for accreditation in 2014 and two others are planning to apply in 2015. To demonstrate ADHS's commitment to this process, they are offering these IGAs to counties who are pursuing accreditation. The amount projected to be awarded to Cochise County is \$44,800. This number could change of any of the counties currently pursuing accreditation decide to opt out of this IGA opportunity. The PHAB accreditation fee for CHSS will be \$27,030 based upon the population we serve. This fee can be paid over a period of five years. After this fee is paid, CHSS would have approximately \$18,000 under this IGA to hire a consultant and pay the wages of an accreditation coordinator. CHSS wants to begin the PHAB accreditation process at the same time as ADHS and the other Arizona counties so that we will be applying under the same version of the PHAB standards. These standards are due to be updated later this year and would make the sharing of resources between our agencies more complicated. The process begins with signing a Statement of Intent (SOI) with PHAB and could take up to three years to complete.

## **Department's Next Steps (if approved):**

Return IGA to ADHS for signature and sign formal Statement of Intent for PHAB to initiate the accreditation process.

## Impact of NOT Approving/Alternatives:

Unable to apply for PHAB accreditation and lost opportunity to take advantage of this funding source.

## To BOS Staff: Document Disposition/Follow-Up:

Need signatures on two IGAs, return to CHSS for distribution.

## 2. Contract Type.

This Contract shall be: Fixed Price

## 3. Contract Interpretation.

- 3.1 <u>Arizona Law.</u> The law of Arizona applies to this Contract including, where applicable, the Uniform Commercial Code as adopted by the State of Arizona.
- 3.2 <u>Implied Contract Terms</u>. Each provision of law and any terms required by law to be in this Contract are a part of this Contract as if fully stated in it.
- 3.3 <u>Contract Order of Precedence</u>. In the event of a conflict in the provisions of the Contract, as accepted by the State and as they may be amended, the following shall prevail in the order set forth below:
  - 3.3.1 Terms and Conditions;
  - 3 3.2 Statement or Scope of Work;
  - 3.3.3 Attachments;
  - 3 3 4 Referenced Documents.
- 3.4 <u>Relationship of Parties</u>. The Contractor under this Contract is an independent Contractor. Neither party to this Contract shall be deemed to be the employee or agent of the other party to the Contract.
- 3.5 <u>Severability</u>. The provisions of this Contract are severable. Any term or condition deemed illegal or invalid shall not affect any other term or condition of the Contract.
- 3.6 <u>No Parole Evidence</u>. This Contract is intended by the parties as a final and complete expression of their agreement. No course of prior dealings between the parties and no usage of the trade shall supplement or explain any terms used in this document.
- 3 7 No Waiver Either party's failure to insist on strict performance of any term or condition of the Contract shall not be deemed a waiver of that term or condition even if the party accepting or acquiescing in the nonconforming performance knows of the nature of the performance and fails to object to it.
- 3.8 <u>Headings</u> Headings are for organizational purposes only and shall not be interpreted as having legal significance or meaning.

## 4 Contract Administration and Operation.

- 4.1 <u>Term</u> As indicated on the signature page of the Contract, the Contract shall be effective as of the Begin Date and shall remain effective until the Termination Date.
- 4.2 Contract Renewal This Contract shall not bind, nor purport to bind, the State for any contractual commitment in excess of the original Contract period. The term of the Contract shall not exceed five years However, if the original Contract period is for less than five years, the State shall have the right, at its sole option, to renew the Contract, so long as the original Contract period together with the renewal periods does not exceed five years. If the State exercises such rights, all terms, conditions and provisions of the original Contract shall remain the same and apply during the renewal period with the exception of price and Scope of Work, which may be renegotiated.
- 4.3 New Budget Term. If a budget term has been completed in a multi-term Contract, the parties may agree to change the amount and type of funding to accommodate new circumstances in the next budget term. Any increase or decrease in funding at the time of the new budget term shall coincide with a change in the

Contract	Number
ADHS14	1-063015

Scope of Work or change in cost of services as approved by the Arizona Department of Health Services.

- 4.4 <u>Non-Discrimination</u>. The Contractor shall comply with State Executive Order No. 2009-09 and all other applicable Federal and State laws, rules and regulations, including the Americans with Disabilities Act.
- Records and Audit. Under A.R.S. § 35-214 and A.R.S. § 35-215, the Contractor shall retain and shall contractually require each subcontractor to retain all data and other records ("records") relating to the acquisition and performance of the Contract for a period of five years after the completion of the Contract. All records shall be subject to inspection and audit by the State and where applicable the Federal Government at reasonable times. Upon request, the Contractor shall produce a legible copy of any or all such records.
- 4.6 <u>Financial Management</u>. For all contracts, the practices, procedures, and standards specified in and required by the Accounting and Auditing Procedures Manual for the ADHS funded programs shall be used by the Contractor in the management of Contract funds and by the State when performing a Contract audit. Funds collected by the Contractor in the form of fees, donations and/or charges for the delivery of these Contract services shall be accounted for in a separate fund.
  - 4.6.1 Federal Funding. Contractors receiving federal funds under this Contract shall comply with the certified finance and compliance audit provision of the Office of Management and Budget (OMB) Circular A-133, if applicable. The federal financial assistance information shall be stated in a Change Order or Purchase Order.
  - 4 6.2 State Funding. Contractors receiving state funds under this Contract shall comply with the certified compliance provisions of A.R.S. § 35-181 03.
- 47 <u>Inspection and Testing</u>. The Contractor agrees to permit access, at reasonable times, to its facilities
- 4.8 <u>Notices</u> Notices to the Contractor required by this Contract shall be made by the State to the person indicated on the signature page by the Contractor, unless otherwise stated in the Contract. Notices to the State required by the Contract shall be made by the Contractor to an ADHS Procurement Officer, unless otherwise stated in the Contract. An authorized ADHS Procurement Officer and an authorized Contractor representative may change their respective person to whom notice shall be given by written notice, and an amendment to the Contract shall not be necessary.
- 4.9 <u>Advertising and Promotion of Contract</u> The Contractor shall not advertise or publish information for commercial benefit concerning this Contract without the prior written approval of an ADHS Procurement Officer

## 4.10 Property of the State.

- 4.10.1 Equipment. Except as provided below or otherwise agreed to by the parties, the title to any and all equipment acquired through the expenditure of funds received from the State shall remain the property of the State by and through the ADHS and, as such, shall remain under the sole direction, management and control of the ADHS. When this Contract is terminated, the disposition of all such property shall be determined by the ADHS. For Fixed Price contracts, when the Contractor provides the services/materials required by the Contract, any and all equipment purchased by the Contractor remains the property of the Contractor. All purchases of equipment need to be reported to the ADHS Office of Inventory Control.
- 4.10.2 Title and Rights to Materials. As used in this section, the term "Materials" means all products created or produced by the Contractor under this Contract, including, but not limited to: written and electronic information, recordings, reports, research, research findings, conclusions, abstracts, results, software, data and any other intellectual property or deliverables created, prepared, or received by the Contractor in performance of this Contract. Contractor acknowledges that all Materials are the property of the State by and through the ADHS and, as such, shall remain under the sole direction, management and control of the ADHS. The Contractor is not entitled to a patent

Contract	Number
ADHS14	4-063015

or copyright on these Materials and may not transfer a patent or copyright on them to any other person or entity. To the extent any copyright in any Materials may originally vest in the Contractor, the Contractor hereby irrevocably transfers to the ADHS, for and on behalf of the State, all copyright ownership. The ADHS shall have full, complete and exclusive rights to reproduce, duplicate, adapt, distribute, display, disclose, publish, release and otherwise use all Materials. The Contractor shall not use or release these Materials without the prior written consent of the ADHS. When this Contract is terminated, the disposition of all such Materials shall be determined by the ADHS. Further, the Contractor agrees to give recognition to the ADHS for its support of any program when releasing or publishing program Materials.

Notwithstanding the above, if the Contractor is a State agency, the following shall apply instead: It is the intention of ADHS and Contractor that all material and intellectual property developed under this Agreement be used and controlled in ways to produce the greatest benefit to the parties to this Contract and the citizens of the State of Arizona. As used in this paragraph, "Material" means all written and electronic information, recordings, reports, findings, research information, abstracts, results, software, data, discoveries, inventions, procedures and processes of services developed by the Contractor and any other materials created, prepared or received by the Contractor and subcontractors in performance of this Agreement. "Material" as used herein shall not include any pre-existing data, information, materials, discoveries, inventions or any form of intellectual property invented, created, developed or devised by Contractor (or its employees, subcontractors or agents) prior to the commencement of the services funded by this Agreement or that may result from Contractor's involvement in other service activities that are not funded by the Agreement.

Title and exclusive copyright to all Material shall vest in the State of Arizona, subject to any rights reserved on behalf of the federal government. As State agencies and instrumentalities, both ADHS and Contractor shall have full, complete, perpetual, irrevocable and non-transferable rights to reproduce, duplicate, adapt, make derivative works, distribute, display, disclose, publish and otherwise use any and all Material. The Contractor's right to use Material shall include the following rights: the right to use the Material in connection with its internal, non-profit research and educational activities, the right to present at academic or professional meetings or symposia and the right to publish in journals, theses, dissertations or otherwise of Contractor's own choosing Contractor agrees to provide ADHS with a right of review prior to any publication or public presentation of the Material, and ADHS shall be entitled to request the removal of its confidential information or any other content the disclosure of which would be contrary to the best interest of the State of Arizona. Neither party shall release confidential information to the public without the prior expressly written permission of the other, unless required by the State public records statutes or other law, including a court order. Each party agrees to give recognition to the other party in all public presentations or publications of any Material, when releasing or publishing them.

In addition, ADHS and Contractor agree that any and all Material shall be made freely available to the public to the extent it is in the best interest of the State. However, if either party wants to license or assign an intellectual property interest in the material to a third-party for monetary compensation, ADHS and Contractor agree to convene to determine the relevant issues of title, copyright, patent and distribution of revenue. In the event of a controversy as to whether the Material is being used for monetary compensation or in a way that interferes with the best interest of the state or ADHS, then the Arizona Department of Administration shall make the final decision. Notwithstanding the above, "monetary compensation' does not include compensation paid to an individual creator for traditional publications in academia (the copyrights to which are Employee-Excluded Works under ABOR Intellectual Property Policy Section 6-908C.4.), an honorarium or other reimbursement of expenses for an academic or professional presentation, or an unprofitable distribution of Material.

- 4 11 <u>E-Verify Requirements</u> In accordance with A.R.S. § 41-4401, Contractor warrants compliance with all Federal immigration laws and regulations relating to employees and warrants its compliance with Section A.R.S. § 23-214, Subsection A.
- 4.12 Federal Immigration and Nationality Act The Contractor shall comply with all federal, state and local

Contract	Number
ADHS14	4-063015

immigration laws and regulations relating to the immigration status of their employees during the term of the Contract Further, the Contractor shall flow down this requirement to all subcontractors utilized during the term of the Contract The State shall retain the right to perform random audits of Contractor and subcontractor records or to inspect papers of any employee thereof to ensure compliance. Should the State determine that the Contractor and/or any subcontractors be found noncompliant, the State may pursue all remedies allowed by law, including, but not limited to; suspension of work, termination of the Contract for default and suspension and/or debarment of the Contractor.

## Costs and Payments

Payments Payments shall comply with the requirements of A.R.S. Titles 35 and 41, net 30 days. Upon receipt and acceptance of goods or services, the Contractor shall submit a complete and accurate Contractor's Expenditure Report for payment from the State within thirty (30) days, as provided in the Accounting and Auditing Procedures Manual for the ADHS.

## 5.2 Recoupment of Contract Payments.

- 5.2.1 Unearned Advanced Funds. Any unearned State funds that have been advanced to the Contractor and remain in its possession at the end of each budget term, or at the time of termination of the Contract, shall be refunded to the ADHS within forty-five (45) days of the end of a budget term or of the time of termination.
- Contracted Services. In a fixed price contract, if the number of services provided is less than the number of services for which the Contractor received compensation, funds to be returned to the ADHS shall be determined by the Contract price. Where the price is determined by cost per unit of service or material, the funds to be returned shall be determined by multiplying the unit of service cost by the number of services the Contractor did not provide during the Contract term. Where the price for a deliverable is fixed, but the deliverable has not been completed, the Contractor shall be paid a pro rata portion of the completed deliverable. In a cost reimbursement contract, the ADHS shall pay for any costs that the Contractor can document as having been paid by the Contractor and approved by ADHS. In addition, the Contractor will be paid its reasonable actual costs for work in progress as determined by Generally Accepted Accounting Procedures up to the date of contract termination.
- 5.2.3 Refunds. Within forty-five (45) days after the end of each budget term or of the time of termination of the Contract, the Contractor shall refund the greater of: i) the amount refundable in accordance with paragraph 5.2.1, Unearned Advanced Funds; or ii) the amount refundable in accordance with paragraph 5.2.2, Contracted Services
- 5.2.4 Unacceptable Expenditures The Contractor agrees to reimburse the ADHS for all Contract funds expended, which are determined by the ADHS not to have been disbursed by the Contractor in accordance with the terms of this Contract. The Contractor shall reimburse ADHS within forty-five (45) days of the determination of unacceptability.
- 5.3 <u>Unit Costs/Rates or Fees</u>. Unit costs/rates or fees shall be based on costs, which are determined by ADHS to be reasonable, allowable and allocable as outlined in the Accounting and Auditing Procedures Manual for the ADHS.

#### 5.4 Applicable Taxes

- 5.4.1 State and Local Transaction Privilege Taxes. The State of Arizona is subject to all applicable state and local transaction privilege taxes. Transaction privilege taxes apply to the sale and are the responsibility of the seller to remit. Failure to collect taxes from the buyer does not relieve the seller from its obligation to remit taxes.
- 5.4.2 Tax Indemnification. The Contractor and all subcontractors shall pay all federal, state and local taxes applicable to its operation and any persons employed by the Contractor. Contractor shall

Contract	Number
	4-063015

require all subcontractors to hold the State harmless from any responsibility for taxes, damages and interest, if applicable, contributions required under Federal, and/or state and local laws and regulations and any other costs, including transaction privilege taxes, unemployment compensation insurance, Social Security and Worker's Compensation.

- 5.4.3 I.R.S. W9 Form. In order to receive payment under any resulting Contract, the Contractor shall have a current I.R.S. W9 Form on file with the State of Arizona.
- Availability of Funds for the Next Fiscal Year. Funds may not be presently available for performance under this Contract beyond the first year of the budget term or Contract term. The State may reduce payments or terminate this Contract without further recourse, obligation or penalty in the event that insufficient funds are appropriated in the subsequent budget term. The State shall not be liable for any purchases or Subcontracts entered into by the Contractor in anticipation of such funding. The Procurement Officer shall have the discretion in determining the availability of funds.
- Availability of Funds for the Current Contract Term. Should the State Legislature enter back into session and decrease the appropriations through line item or general fund reductions, or for any other reason these goods or services are not funded as determined by ADHS, the following actions may be taken by ADHS:
  - 5.6.1 Accept a decrease in price offered by the Contractor;
  - 5.6.2 Reduce the number of goods or units of service and reduce the payments accordingly;
  - 5.6.3 Offer reductions in funding as an alternative to Contract termination; or
  - 5.6.4 Cancel the Contract
- Authorization for Provision of Services: Authorization for purchase of services under this contract shall be made only upon ADHS issuance of a Purchase Order that is signed by an authorized agent. The Purchase Order will indicate the contract number and the dollar amount of funds authorized. The Contractor shall only be authorized to perform services up to the amount on the Purchase Order. ADHS shall not have any legal obligation to pay for services in excess of the amount indicated on the Purchase Order. No further obligation for payment shall exist on behalf of ADHS unless a) the Purchase Order is changed or modified with an official ADHS Procurement Change Order, and/or b) an additional Purchase Order is issued for purchase of services under this contract.

## 6 Contract Changes

- Amendments, Purchase Orders and Change Orders

  This Contract is issued under the authority of the Procurement Officer who signed this Contract. The Contract may be modified only through a Contract Amendment, Purchase Order and/or Change Order within the scope of the Contract, unless the change is administrative or otherwise permitted by the Special Terms and Conditions. Changes to the Contract, including the addition of work or materials, the revision of payment terms, or the substitution of work or materials, directed by an unauthorized State employee or made unilaterally by the Contractor are violations of the Contract and of applicable law. Such changes, including unauthorized Contract Amendments, Purchase Orders and/or Change Orders, shall be void and without effect, and the Contractor shall not be entitled to any claim under this Contract based on those changes.
- 6.2 <u>Subcontracts</u>. The Contractor shall not enter into any subcontract under this Contract without the advance written approval of the Procurement Officer. The subcontract shall incorporate by reference all material and applicable terms and conditions of this Contract.
- 6.3 <u>Assignments and Delegation</u>. The Contractor shall not assign any right nor delegate any duty under this Contract without the prior written approval of the Procurement Officer. The State shall not unreasonably withhold approval.

## 7. Risk and Liability

Contract	Number	
ADHS1	4-06301	5

- 7.1 <u>Risk of Loss.</u> The Contractor shall bear all loss of conforming material covered under this Contract until received and accepted by authorized personnel at the location designated in the Purchase Order, Change Order or Contract. Mere receipt does not constitute final acceptance. The risk of loss for nonconforming materials shall remain with the Contractor regardless of receipt.
- Mutual Indemnification. Each party (as "indemnitor") agrees to indemnify, defend and hold harmless the other party (as "indemnitee") from and against any and all claims, losses, liability, costs or expenses (including reasonable attorney's fees) (hereinafter collectively referred to as "claims") arising out of bodily injury of any person (including death) or property damage, but only to the extent that such claims, which result in vicarious/derivative liability to the indemnitee, are caused by the act, omission, negligence, misconduct, or other fault of the indemnitor, its officers, officials, agents, employees or volunteers.
- Indemnification Patent and Copyright To the extent permitted by A.R.S. § 41-621 and A.R.S. § 35-154, the Contractor shall indemnify and hold harmless the State against any liability, including costs and expenses, for infringement of any patent, trademark or copyright arising out of performance of the Contract or use by the State of materials furnished by or work performed under this Contract. The State shall reasonably notify the Contractor of any claim for which it may be liable under this paragraph.

### 74 Force Majeure.

- Liability and Definition. Except for payment of sums due, neither party shall be liable to the other nor deemed in default under this Contract if and to the extent that such party's performance of this Contract is prevented by reason of force majeure. The term "force majeure" means an occurrence that is beyond the control of the party affected and occurs without its fault or negligence. Without limiting the foregoing, force majeure includes acts of God; acts of the public enemy; acts of terrorism; war; riots; strikes; mobilization; labor disputes; civil disorders; fire; flood; lockouts; injunctions-interventions not caused by or resulting from the act or failure to act of the parties; failures or refusals to act by government authority not caused by or resulting from the act or failure to act of the parties; and other similar occurrences beyond the control of the party declaring force majeure, which such party is unable to prevent by exercising reasonable diligence.
- 7.4.2 Exclusions. Force Majeure shall not include the following occurrences:
  - 7.4.2.1 Late delivery of Materials caused by congestion at a manufacturer's plant or elsewhere, or an oversold condition of the market;
  - 7.4.2.2 Late performance by a subcontractor unless the delay arises out of a force majeure occurrence in accordance with this force majeure term and condition; or
  - 7 4 2 3 Inability of either the Contractor or any subcontractor to acquire or maintain any required insurance, bonds, licenses or permits
- 7.4.3 Notice If either party is delayed at any time in the progress of the work by force majeure, the delayed party shall notify the other party in writing of such delay, as soon as is practicable and no later than the following working day of the commencement thereof, and shall specify the causes of such delay in such notice. Such notice shall be delivered or mailed certified-return receipt and shall make a specific reference to this article, thereby invoking its provisions. The delayed party shall cause such delay to cease as soon as practicable and shall notify the other party in writing when it has done so. The time of completion shall be extended by Contract Amendment for a period of time equal to the time that the results or effects of such delay prevent the delayed party from performing in accordance with this Contract
- 7.4.4 Default Any delay or failure in performance by either party hereto shall not constitute default hereunder or give rise to any claim for damages or loss of anticipated profits if, and to the extent that, such delay or failure is caused by force majeure

ſ	Contract	Number	_
ľ	ADHS14	1-063015	

- 7.5 <u>Third Party Antitrust Violations</u> The Contractor assigns to the State any claim for overcharges resulting from antitrust violations to the extent that those violations concern materials or services supplied by third parties to the Contractor for or toward the fulfillment of this Contract.
- 8. **Description of Materials** The following provisions shall apply to Materials only:
  - 8.1 <u>Liens</u>. The Contractor agrees that the Materials supplied under this Contract are free of liens. In the event the Materials are not free of liens, Contractor shall pay to remove the lien and any associated damages or replace the Materials with Materials free of liens.
  - 8.2 Quality. Unless otherwise modified elsewhere in these terms and conditions, the Contractor agrees that, for one year after acceptance by the State of the Materials, they shall be:
    - 8.2.1 Of a quality to pass without objection in the Contract description;
    - 8.2.2 Fit for the intended purposes for which the Materials are used;
    - 8 2 3 Within the variations permitted by the Contract and are of even kind, quantity, and quality within each unit and among all units;
    - 8.2.4 Adequately contained, packaged and marked as the Contract may require; and
    - 8 2.5 Conform to the written promises or affirmations of fact made by the Contractor.
  - 8.3 <u>Inspection/Testing.</u> Subparagraphs 8.1 through 8.2 of this paragraph are not affected by inspection or testing of or payment for the Materials by the State.
  - 8.4 <u>Compliance With Applicable Laws</u>. The Materials and services supplied under this Contract shall comply with all applicable federal, state and local laws, and the Contractor shall maintain all applicable license and permit requirements.
  - 8.5 Survival of Rights and Obligations After Contract Expiration and Termination.
    - 8.5.1 Contractor's Representations. All representations and warranties made by the Contractor under this Contract in paragraphs Seven (7) and Eight (8) shall survive the expiration or termination hereof. In addition, the parties hereto acknowledge that pursuant to A.R.S. § 12.510, except as provided in A.R.S. § 12-529, the State is not subject to or barred by any limitations of actions prescribed in A.R.S. Title 12, Chapter Five (5).
    - Purchase Orders and Change Orders. Unless otherwise directed in writing by the Procurement Officer, the Contractor shall fully perform and shall be obligated to comply with all Purchase Orders and Change Orders received by the Contractor prior to the expiration or termination hereof, including, without limitation, all Purchase Orders and Change Orders received prior to but not fully performed and satisfied at the expiration or termination of this Contract.

#### 9. State's Contractual Remedies

9.1 Right to Assurance. If the State, in good faith, has reason to believe that the Contractor does not intend to, or is unable to, perform or continue performing under this Contract, the Procurement Officer may demand in writing that the Contractor give a written assurance of intent to perform. Failure by the Contractor to provide written assurance within the number of Days specified in the demand may, at the State's option, be the basis for terminating the Contract.

#### 9.2 Stop Work Order

9 2.1 Terms. The State may, at any time, by written order to the Contractor, require the Contractor to stop all or any part of the work called for by this Contract for a period up to ninety (90) Days after

-	Contract Number
	ADHS14-063015

the order is delivered to the Contractor, and for any further period to which the parties may agree. The order shall be specifically identified as a stop work order issued under this clause. Upon receipt of the order, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the order during the period of work stoppage.

- 9 2 2 Cancellation or Expiration. If a stop work order issued under this clause is canceled or the period of the order or any extension expires, the Contractor shall resume work. The Procurement Officer shall make an equitable adjustment in the delivery schedule or Contract price, or both, and the Contract shall be amended in writing accordingly.
- 9.3 <u>Non-exclusive Remedies</u>. The rights and remedies of ADHS under this Contract are not exclusive, and ADHS is entitled to all rights and remedies available to it, including those under the Arizona Uniform Commercial Code and Arizona common law
- 9.4 Right of Offset The State shall be entitled to offset against any sums due the Contractor in any Contract with the State or damages assessed by the State because of the Contractor's non-conforming performance or failure to perform this Contract. The right to offset may include, but is not limited to, a deduction from an unpaid balance and a collection against the bid and/or performance bonds. Any offset taken for damages assessed by the State shall represent a fair and reasonable amount for the actual damages and shall not be a penalty for non-performance

#### 10. Contract Termination

- 10.1 Cancellation for Conflict of Interest. Pursuant to A.R.S. § 38-511, the State may cancel this Contract within three (3) years after Contract execution without penalty or further obligation if any person significantly involved in initiating, negotiating, securing, drafting or creating the Contract on behalf of the State is, or becomes at any time while the Contract or an extension of the Contract is in effect, an employee of or a consultant to any other party to this Contract with respect to the subject matter of the Contract. The cancellation shall be effective when the Contractor receives written notice of the cancellation, unless the notice specifies a later time. If the Contractor is a political subdivision of the State, it may also cancel this Contract as provided in A.R.S. § 38-511
- 10.2 <u>Gratuities</u> The State may, by written notice, terminate this Contract, in whole or in part, if the State determines that employment or a Gratuity was offered or made by the Contractor or a representative of the Contractor to any officer or employee of the State for the purpose of influencing the outcome of the procurement, securing the Contract or an Amendment to the Contract, or receiving favorable treatment concerning the Contract, including the making of any determination or decision about Contract performance. The State, in addition to any other rights or remedies, shall be entitled to recover exemplary damages in the amount of three times the value of the Gratuity offered by the Contractor.
- 10.3 <u>Suspension or Debarment.</u> The State may, by written notice to the Contractor, immediately terminate this Contract if the State determines that the Contractor or its subcontractor has been debarred, suspended or otherwise lawfully prohibited from participating in any public procurement activity, including but not limited to, being disapproved as a subcontractor of any public procurement unit or other governmental body.

## 10.4 Termination Without Cause.

- Both the State and the Contractor may terminate this Contract at any time with thirty (30) days notice in writing specifying the termination date Such notices shall be given by personal delivery or by certified mail, return receipt requested.
- 10.4.2 If the Contractor terminates this Contract, any monies prepaid by the State, for which no service or benefit was received by the State, shall be refunded to the State within five (5) days of the termination notice. In addition, if the Contractor terminates the Contract, the Contractor shall indemnify the State for any sanctions imposed by the funding source as a result of the Contractor's failure to complete the Contract.

ADHS14-063015	TERMS AND CONDITIONS

- 10.4.3 If the State terminates this Contact pursuant to this Section, the State shall pay the Contractor the Contract price for all Services and Materials completed up to the date of termination. In a fixed price contract, the State shall pay the amount owed for the Services or Materials by multiplying the unit of service or item cost by the number of unpaid service units or items. In a cost reimbursement contract, the ADHS shall pay for any costs that the Contractor can document as having been paid by the Contractor and approved by ADHS. In addition, the Contractor will be paid its reasonable actual costs for work in progress as determined by GAAP up to the date of termination. Upon such termination, the Contractor shall deliver to the ADHS all deliverables completed. ADHS may require Contractor to negotiate the terms of any remaining deliverables still due.
- 10.5 <u>Mutual Termination.</u> This Contract may be terminated by mutual written agreement of the parties specifying the termination date and the terms for disposition of property and, as necessary, submission of required deliverables and payment therein
- 10.6 <u>Termination for Default</u> The State reserves the right to terminate the Contract in whole or in part due to the failure of the Contractor to comply with any material obligation, term or condition of the Contract, to acquire and maintain all required insurance policies, bonds, licenses and permits, or to make satisfactory progress in performing the Contract. In the event the ADHS terminates the Contract in whole or in part as provided in this paragraph, the ADHS may procure, upon such terms and in such manner as deemed appropriate, Services or Materials, similar to those terminated, and Contractor shall be liable to the ADHS for any excess costs incurred by the ADHS in obtaining such similar Services or Materials.
- 10.7 Continuation of Performance Through Termination. Upon receipt of the notice of termination and until the effective date of the notice of termination, the Contractor shall perform work consistent with the requirements of the Contract and, if applicable, in accordance with a written transition plan approved by the ADHS. If the Contract is terminated in part, the Contractor shall continue to perform the Contract to the extent not terminated. After receiving the notice of termination, the Contractor shall immediately notify all subcontractors, in writing, to stop work on the effective date of termination, and on the effective date of termination, the Contractor and subcontractors shall stop all work
- 10.8 <u>Disposition of Property</u>. Upon termination of this Contract, all property of the State, as defined herein, shall be delivered to the ADHS upon demand
- 11. **Arbitration** Pursuant to A.R.S. § 12-1518, disputes under this Contract shall be resolved through the use of arbitration when the case or lawsuit is subject to mandatory arbitration pursuant to rules adopted under A.R.S. § 12-133.

#### 12 Communication

- 12.1 <u>Program Report</u>. When reports are required by the Contract, the Contractor shall provide them in the format approved by ADHS.
- 12.2 <u>Information and Coordination</u>. The State will provide information to the Contractor pertaining to activities that affect the Contractor's delivery of services, and the Contractor shall be responsible for coordinating their activities with the State's in such a manner as not to conflict or unnecessarily duplicate the State's activities. As the work of the Contractor progresses, advice and information on matters covered by the Contract shall be made available by the Contractor to the State throughout the effective period of the Contract.
- 13. Client Grievances If applicable, the Contractor and its subcontractors shall use a procedure through which clients may present grievances about the operation of the program that result in the denial, suspension or reduction of services provided pursuant to this Contract and which is acceptable to and approved by the State
- 14. Sovereign Immunity Pursuant to A.R.S. § 41-621(O), the obtaining of insurance by the State shall not be a

## INTERGOVERNMENTAL AGREEMENT SCOPE OF WORK

## **Public Health Accreditation Preparation Activities**

## 1. BACKGROUND

The Arizona Department of Health Services (ADHS) is committed to achieving accreditation through the voluntary Public Health Accreditation Board (PHAB). The accreditation process focuses on improving public health services and outcomes by implementing Quality Improvement (QI) practices. In response to the accreditation standards, ADHS created the Managing for Excellence Program (MEP) concentrating on the accreditation requirements. In 2011 the Strategic Plan, one (1) of three (3) PHAB prerequisites, was updated. In 2014 ADHS will focus on the remaining two (2) PHAB prerequisites, a comprehensive 'Statewide Community Health Assessment' and the 'State Health Improvement Plan' (SHIP). An important component of the planning process is organizing partnerships across the State, collaborating with County Health Departments, and sharing information gathered from Community Health Assessments (CHA) and Community Health Improvement Plans (CHIP)

The Preventive Health and Health Services Block funding will be aimed at supporting local public health departments (LHDs) in undertaking accreditation preparation activities. Funding will be provided to LHDs to engage in activities that will demonstrate a measurable increase in their readiness to achieve Public Health Accreditation Board (PHAB) accreditation

Each County will select two (2) or more categories of work, and two (2) or more deliverables within each category, based on an identified area of need around accreditation readiness.

Opportunities for peer networking, sharing, and technical assistance (TA) will be provided by ADHS

Counties can select the deliverable(s) based on:

- 1.1 Feasibility for the LHD to undertake and complete within the project timeframe, and
- 1 2 Greatest benefit to the LHD in their accreditation readiness. Counties should only choose deliverables that that will be completed during the course of this project, and not those that have already been completed.

For each deliverable(s) selected, Counties will be required to describe the activities they propose to undertake in order to accomplish that deliverable, the corresponding timeframes, and expected outcomes. The County will also be required to provide an overall budget which will be used to reconcile expenditures by ADHS Local Health.

For contextual purposes, categories include references to the most closely related domains within the PHAB Standards and Measures. However, it is understood that work in one (1) or more of the categories may span across several PHAB domains indirectly, or in conjunction with other categories of work.

## 2. CATEGORIES SELECTED

## 2.1 Category 3: Building a Culture of Quality Improvement (related PHAB Domain: 9)

Quality improvement (QI) is the result of leadership support and requires staff commitment at all levels to build a culture of quality and ensure it is fully integrated into organizational structures, processes, services, operations, and more Counties selecting this category may use this award to conduct activities that will show progress towards building a culture of Quality Improvement (QI) that will fulfill one (1) or more of the outlined deliverables (e.g., assessment of current QI culture and description of desired future state, plan for regularly communicating about QI activities, etc.)

## 2 2 Category 5: Using Award Funds for PHAB Fees:

Counties selecting any category who plan to submit their accreditation application to PHAB within the project period may choose to use award funds to pay for PHAB fees (see the PHAB fee schedule for

Contract Number	INTERGOVERNMENTAL AGREEMENT
	One was a Milania

2013 & for 2014). If the County indicates they will use funding toward fees, please note that the required deliverable will be to provide evidence that the LHD has applied to PHAB within the project timeframe; award funds will not be remitted without that evidence. As such, it is important that LHDs applying for fees have carefully considered all PHAB application requirements and have developed a feasible plan to submit the application before May 31, 2014.

#### 3. COUNTY RESPONSIBILITY

Each County funded shall:

- Designate one (1) main point of contact with whom ADHS will directly communicate on all matters related to this project. This Project Coordinator will be responsible for submitting all deliverables, participating in peer networking conference calls or webinars, and completing evaluation activities;
- Designate at least one (1) relevant staff member to attend the ADHS training on workforce development, QI and performance management. Funding for traveling to this training must be allocated from the total award amount to the county; and
- 3.3 Submit, per the Contract Scope of Work, all deliverables as selected in the Application and two (2) project update assessments. Selected deliverables will be posted to ADHS, MEP, website

#### 4. ADHS' RESPONSIBILTIES

ADHS will provide:

- 4.1 A monetary award that will be paid in installments per agreed up on deliverables and price sheet; 🗆
- 4.2 Opportunities for peer-to-peer networking among all selected LHDs and those within each category of work including hosted conference calls, as appropriate;
- Access to virtual TA and guidance from ADHS staff, LHD peers/mentors, and/or potentially subject-matter experts related to the category of work for which the County received the award, as appropriate (Please note that this guidance will be limited; if significant TA is necessary for a County to complete their work, Counties should plan to contract with a consultant/SME and budget for the expense within the Application.); and
- 4.4 Connection to learning communities and national networks.

## 5. APPROVALS:

5.1 The ADHS will make payment in accordance to the Terms and Conditions and Scope of Work set forth in the Contract

#### 6. DELIVERABLES

- 6 1 Category 3: Building a Culture of Quality Improvement
  - 6.1.1 Detailed written description of process and criteria for identifying and initiating appropriate QI projects,
  - 6.1.2 Detailed written description of the LHD's plan for regularly communicating about QI activities in the department, and evidence of at least three (3) of those mechanisms implemented, and
- 6.2 Category 5: Using Award Funds for PHAB Fees
  - 6 2.1 Provide evidence to ADHS that the LHD has applied to PHAB within the project timeframe

## Governor's Budget Recommendation Report / JLBC Baseline Budget and Transportation Update

Craig Sullivan reported next week is the last week to hear bills in the house of origin. Conversations continue among legislators on the major budget items. It is anticipated to see a budget resolution by midMarch. CSA is working with AACo on drafting a letter by the Sheriff's Association letter on the counties' budget priorities in order to help get out our message. CSA will continue to coordinate with counties to get the message out. As part of the focus to get the message out on the need to restore HURF, CSA has engaged Representative Fann, the chair of the House Transportation Committee, to provide a transportation report at the CSA Board of Directors meeting next week. Senator Burgess, the Senate Transportation Committee chair, has also been asked to appear. At the request of the Governor's Office, Craig met with the executive director, Jim Augsbury, of the Western Governors Association (WGA) and briefed him on the importance of PILT. The Governor

also briefed Mr. Augsbury on getting the WGA involved in the advocacy on the protection of PILT funding. The WGA did do a letter in support, and the Governor requested they make this a priority. CSA will also reach out to other counties in the western states to have their governors do a similar message. CSA provided information to Governor Brewer as background for her to do a similar letter about the importance of PILT and that should be completed shortly. In addition, Senator Griffin's memorial (SCM 1006), urging Congress to act on PILT, should be expedited, as well.

Supervisor Mary Rose Wilcox informed the group that Coconino was not present on today's teleconference because they are conducting new school superintendent interviews.

## **CSA Legislative Agenda**

- HB 2149 state parks; SLIF fund distribution (Borrelli). Dan Bogert reported the bill passed the House Agriculture & Water committee and is now assigned to the House Appropriations committee.
- 2. <u>HB 2218 fire districts reorganization elections</u> (*Fann*). Todd Madeksza reported the bill is expected to be assigned to the House Government committee.
- HB 2224 sale of fireworks; counties (Fann). Todd reported CSA is in discussions with other stakeholders. It is expected it will be on a committee agenda next week in House Public Safety, Military and Regulatory Affairs.
- 4. <u>HB 2240 developmental disabilities; client income; retention</u> (*Brophy-McGee*). Todd reported he expects it to be on a House Reform and Human Services committee agenda next week. It has also been assigned to the House Appropriations committee.
- 5. <u>HB 2320 county seals; approval of use</u> (*J. Pierce*) / <u>SB 1116 county seal; board approval</u> (*McGuire*). Todd reported HB 2320 passed out of House Government committee this week. Senate bill 1116 is scheduled for Senate Government and Environment next week.
- 6. <u>HB 2531 court-ordered evaluation services; payment</u> (*Brophy-McGee*). Kristin Cipolla reported it is on the House Health committee agenda next week.
- 7. SB 1271 county liens; abatements (Ward). Todd reported it was assigned to the Senate Government and Environment committee, but failed to be placed on an agenda. CSA is working with the bill sponsor to identify a viable vehicle.

## **Legislative Bills for Discussion**

#### **Land and Forest Management**

- 1. <u>HB 2536 best land management practices; appropriations.</u> Dan reported it passed the House Energy, Environment and Natural Resources committee. It has also been assigned to the House Appropriations committee, but has not yet been scheduled for a hearing.
- 2. HB 2578 municipalities; counties; wildland-urban interface regulation. Dan explained the bill.
- SB 1267 natural resource management; state agencies. Dan reported it has been assigned to the Senate Natural Resources and Rural Affairs committee, but has not yet been scheduled a hearing.
- 4. SB 1268 natural resource protection fund. Kristin reported it has been assigned to the Senate Natural Resources and Rural Affairs committee, but has not yet been scheduled.
- 5. <u>SB 1292 Arizona resource advisory council</u>. Kristin reported it is awaiting a Senate floor vote, after passing through its assigned committee and Rules.
- SB 1356 government land purchases; recording notification. Kristin reported it is scheduled for Senate Government and Environment committee on Monday at 2:00 p.m. next week. Kristin will research President Palmer's question on whether the bill included rights-of-ways for roads.
- 7. SB 1458 conservation land; purpose; ownership. Kristin reported it is scheduled for the Senate Natural Resources and Rural Affairs committee next week.

Supervisor Wilcox requested CSA appraise Coconino County of these bills since they were unable to join today.

#### Planning and Zoning

8. <u>HB 2483 firearms; private lands; lawful discharge</u>. Todd explained the bill. Supervisor Tom Thurman moved to oppose HB 2483. Supervisor Mary Rose Wilcox seconded the motion and the motion passed unanimously.

- 9. <u>HB 2553 political subdivisions; energy incentives; prohibition</u>. Todd explained it has not yet been put on an agenda. CSA will continue to monitor and will send out an action alert should the bill move.
- 10. <u>SB 1227 municipalities; counties; energy efficient codes</u>. Todd explained the bill. Supervisor Wilcox requested it be brought back next week.

#### Other

- HB 2046 disaster recovery; businesses; tax; regulation. Todd reported it passed its committee, but has not yet been listed on a Rules agenda. The chambers support it. CSA will continue to monitor it.
- 12. HB 2379 special districts; secondary levy limits. Dan reported the bill was rereferred to the House Ways and Means committee where a strike everything amendment will be offered. CSA will send out a copy of the striker to counties. He noted that the CSA board voted to oppose this bill at last month's meeting. Craig stated that since the bill was scheduled for committee on Monday, he requested comments be sent as soon as possible about the striker amendment that CSA will send out.
- 13. HB 2386 special districts; elections; financing; limits. Dan noted this bill was not listed on today's LPC agenda and is being reported on for informational purposes only. He stated it is scheduled for House Government on Tuesday. CSA will send out an alert if the strike everything amendment that is expected to be offered is passed. Todd commented that an addendum to the LPC agenda was sent out and requested members be aware of the order of the bills being discussed.
- 14. <u>HB 2634 ambulance services; certificates of necessity</u>. Todd reported CSA will continue to monitor the bill.
- 15. HB 2635 appropriations; law enforcement; county distribution. Todd reported on the bill.
- 16. HB 2692 DPS; operating expenses; intent. Todd reported on the bill.
- 17. <u>SB 1200 elderly assistance fund; public outreach</u>. Dan reported the bill had been assigned to the Senate Government and Environment committee, but was held. It has also been assigned to the Senate Appropriations committee.
- 18. SB 1255 county transportation excise tax. Todd reported on the bill.

## **Next Meeting Date and Time**

Supervisor Wilcox reported that the next meeting would be held in conjunction with the CSA Board of Directors meeting on Thursday, February 20, at 10:00 a.m. The following LPC meeting will be on Friday, February 28, at 9:00 a.m.

#### **Other Business**

In response to President Palmer's query, Craig reported that the energy tax exemption bill went through the Finance committee on Wednesday. The Governor's Office is aware of CSA's concerns and has authorized a meeting for CSA to meet with the Department of Revenue early next week.

Supervisor Wilcox thanked everyone for their participation.

#### Adjournment

There being no further business, Supervisor Wilcox adjourned the meeting at 9:51 a.m.

## **FY15 Executive Budget Recommendations and JLBC Baseline**

Governor Brewer's Fiscal Year 2015 budget calls for a \$9.4 billion spending plan that supports the priorities she outlined in her State of the State address:

- \$45.6 million for transitioning the newly established Cabinet-level Child Safety & Family Services Division (CSFS), formerly CPS, away from the Department of Economic Services (DES), and increasing caseworker staff levels
- \$40 million for K-12 performance based funding
- \$54 million for one-time capital projects in the Arizona Department of Administration (ADOA) building system, State Prisons, and Universities, such as fire alarms, HVAC systems, electrical, and other fire safety projects
- \$50 million to be deposited into the "rainy day" fund
- Executive Directive to keep Fiscal Year 2016 structurally balanced

## Additionally the Executive's proposal includes:

- \$31 million to reestablish a rural county exchange program that allows rural local government to access funds to assist them in accessing federal transportation project funding (does not include MAG & PAG member governments)
- \$21 million to complete the remaining parity phase-in, two years ahead of schedule
- Sales tax (TPT) Exemption for electricity used by manufactures (impact to county revenue is unknown at this point)

JLBC Baseline generally continues FY14 funding levels into FY15 while making relevant formula adjustments.

Some of the major difference between the Governor's budget recommendations and the JLBC Baseline are revenue projections. The total difference between the Executive and JLBC amount to about \$900 million in revenue difference over the three period FY15-FY17.

Neither JLBC or Executive ending balances include the effects of operating debt buyback per the terms of the 2010 \$1.5 billion financing deal. JLBC estimates this impact could be \$210 million in FY17

#### **Bill Summaries**

#### H2594: PUBLIC CONSTRUCTION; BUSINESS LOSSES; COMPENSATION

If "public construction" results in "business losses" (both defined), an owner may recover damages of up to three years of losses as compensation. Some exceptions. The owner may initiate proceedings for the business losses by serving the appropriate public entity with a notice of claim by certified mail within specified deadlines. The owner has the burden of proof in any administrative or judicial proceedings to show that the public construction resulted in business losses and the amount of compensation due.

#### S1249: DANGEROUS AND INCOMPETENT DEFENDANTS; COMMITMENT

The list of conditions under which the court may order a defendant to be involuntarily confined until an examination of competency to stand trial is completed is expanded to include that the defendant is charged with a "serious offense" or a "violent or aggravated felony" (both defined elsewhere in statute). If a mental health expert determines that there is no substantial probability that a defendant will regain competency to stand trial within 21 months, the expert's report must include whether the defendant should be considered "dangerous" (defined). If an incompetent defendant is found to be not restorable to competency, the state may request a hearing to determine if the defendant is dangerous and should be involuntarily committed. If the court finds by clear and convincing evidence that the defendant is dangerous, the court is required to order the defendant committed to a secure facility.

#### S1483: COUNTY SUPERVISORS; POPULATION THRESHOLD; MEMBERSHIP

If approved by a majority of qualified electors of a county with a population of 125,000 persons but not more than 75,000 persons, the county board of supervisors must consist of five members. The board of supervisors of a county with a population of 125,000 persons but not more than 75,000 [Editor's Note: The population figures are taken directly from the bill text and appear to be a drafting error.] persons is required to submit to the voters the question of whether to elect five members to the board instead of three at a special election called for this purpose. The special election must be held before the first Monday in January preceding the next general election. If the voters approve, the board of supervisors is required to redistrict the county pursuant to statute.

## **2014 Federal Legislative Priorities**

## <u>IDENTIFY & IMPLEMENT A SUSTAINABLE FUNDING MECHANISM TO PROVIDE FULL</u> FUNDING OF PAYMENT IN LIEU OF TAXES PROGRAM (PILT)

- The PILT program was established in 1976 to help offset losses in property taxes due to the tax-exempt status of federal land, and to partially reimburse for the costs incurred by counties for services provided on, or associated with federal public lands, including education, law enforcement, search and rescue, firefighting, parks and recreation, and other community services.
- Counties in Arizona received a total of \$32.2 million of PILT funds in FY2013.
- The national average PILT payment in FY2013 was \$0.66 per acre. If these lands were taxed, they would return significantly more and be taxed according to value.
- The Emergency Economic Stabilization Act of 2008 converted PILT to a mandatory classification and authorized the program for FY2008 through FY2012; in July, 2012, President Obama signed P.L. 112-141 extending mandatory spending for PILT to FY2013.
- Earlier this year, Congress failed to include funding for the PILT program in the Consolidated Appropriations Act, 2014, creating much turmoil among Arizona counties who were in the process of forming their budgets for the upcoming fiscal year. Although a one year extension of PILT funding was ultimately included in the Agriculture Act of 2014, the fiscal uncertainly and erosion of trust caused by such a delay will be untenable in future years. It is critical for congress to identify a sustainable, long term funding mechanism for PILT in a timely manner.

# SUPPORT A SHORT-TERM REAUTHORIZATION OF THE SECURE RURAL SCHOOLS AND COMMUNITY SELF DETERMINATION ACT (SRS) & A LONG-TERM LEGISLATIVE SOLUTION FOR CONTINUED REVENUE SHARING PAYMENTS TO FOREST COUNTIES

- In 1908, SRS was enacted so that 25 percent of Forest Service revenues from timber sales, mineral resources and grazing fees, were returned to counties and states that have national lands, because they forgo the opportunity for private development. Over time, receipts from timber sales fluctuated.
- In 2000, the Secure Rural Schools Community Self-Determination Act (SRS) was enacted to stabilize payments to counties, including stabilized education and road maintenance funding. Approximately 15-20 percent of the funds are directly invested back into projects that benefit the national forest.
- SRS was reauthorized for one year in 2013 (through FY2013) as part of the Helium Stewardship Act (PL 113-40), but has not been reauthorized for FY2014.
- Lack of future reauthorization would result in the loss of funding for 729 rural counties, and the schools within them, across 41 states and Puerto Rico.
- Arizona would absorb dramatic reductions in funds for rural schools, roads, and search and rescue totaling \$15 million per year.

## **2014 Federal Legislative Priorities**

## <u>AUTHORIZE A LONG-TERM SURFACE TRANSPORTATION PROGRAM WITH SUSTAINABLE</u> REVENUE STREAMS

- Arizona counties are responsible for nearly 18,000 miles of roadway that connect with the state and federal highway system, close to 28 percent of the 65,262 total roadway miles in the State.
- The cost of building and maintaining surface systems has risen sharply during the past decade, surpassing inflation and far outpacing transportation funding streams.
- In their most recent Report Card for America's Infrastructure, the American Society of Civil Engineers (ASCE) rated 52 percent of the roads in Arizona as being in "poor or mediocre condition" which costs Arizona's drivers an estimated \$887 million a year in extra vehicle repairs.
- The Congressional Budget Office (CBO) reported in their February 2014 Baseline that the Highway Trust Fund will be facing a \$13 billion shortfall next year and \$95 billion shortfall by 2020.
- With the current transportation measure, MAP-21, expiring at the end of the fiscal year, Congress will need to craft the next generation of transportation funding laws, in doing so, Congress should authorize a long-term and reliable transportation revenue stream to ensure funding is available to support current and future transportation projects as all levels of government.

## APPROVE & IMPLEMENT THE PUBLIC LANDS RENEWABLE ENERGY DEVELOPMENT ACT OF 2013 (HR 596)

- On February 8, 2013, Congressman Gosar introduced the Public Lands Renewable Energy Development Act of 2013 to share renewable energy royalty revenues from federal lands with states and counties.
- HR 596 develops a leasing system for renewable energy that returns a portion of the royalty revenues to the states and counties in recognition of the additional staff time and capital cost incurred from permitting and siting this type of development.
- The responsible development of renewable energy projects, and the resulting job growth for our local communities, is of upmost importance as Arizona counties continue to feel the ongoing effects of the recession.
- The shared revenues from renewable energy development projects can be used by counties to support land, wildlife, and water management issues in affected areas
- As the priorities for the coming legislative year are set, Congress should support the economic development opportunities on public lands and encourage the development of renewable energy sources by approving the Public Lands Renewable Energy Act of 2013.

January 21, 2014

Dear Arizona Delegates:

On behalf of the County Supervisors Association of Arizona and the Arizona Association of Counties we would like to invite you to have breakfast with the Arizona congressional delegation while you are in Washington, D.C., for the NACo Legislative Conference.

This year CSA and AACo will be co-hosting two breakfasts to allow for extensive access to all of Arizona's congressional members. As you know, in years past, the Senators have been very gracious with their time and willingness to answer questions at the breakfast. That success has helped us in scheduling a breakfast with the House members, as well.

The House breakfast will be on Tuesday, March 4, at 8:00 a.m. in the **Rayburn House Office Building, Room B338.** The event should be completed in time to return to the NACo General Session that begins at 10:00 a.m.

The Senate breakfast will occur on Wednesday, March 5, at 8:30 a.m. in the **Russell Senate Office Building, Room 385.** There are no conflicting NACo events that morning.

**Please RSVP by February 14, 2014,** to either Penny Adams at <a href="mailto:pennya@countysupervisors.org">pennya@countysupervisors.org</a> (452-4502) or Sue Anderson at <a href="mailto:sanderson@azcounties.org">sanderson@azcounties.org</a> (252-6563 x 221).

We look forward to spending some time with everyone in Washington, D.C., and we hope that you can join us for both of these special events.

Sincerely,

Jennifer Sweeney Marson Executive Director

Arizona Association of Counties

Craig A. Sullivan
Executive Director

County Supervisors Association of Arizona
